

Dear Sponsor,

Thank you for making our Imagination Ball so successful on Marco Island, Florida. I look forward to partnering with you at the 7th annual Imagination Ball as we make a difference in the lives of men, women, and children with cancer. When you become a sponsor, the American Cancer Society puts your donation to work for treatments, services, and cures for all cancers. In addition, you become my special guest at the most exciting event of the year on Marco Island.

The Imagination Ball will take place on Friday, February 1, 2019 in the new Banyan ballroom, at the JW Marriott Marco Island. As you review our sponsorship package, you will find many new and exciting ways to support the mission and spotlight your company at the same time. Each description also includes a list of all the amenities you will receive as part of this vital partnership. Invitations will be mailed to qualified business leaders and philanthropic residents. You will become a visible supporter of a cause that is so meaningful.

I am returning as Imagination Ball chair for the seventh year and am thrilled to once again work with our dedicated and talented committee. A special evening will be planned for ***A Magical Night to Finish the Fight*** and together, with your help, we will soar towards new heights ending this dreaded disease. We will also be honoring Gary and Anne Landis as the 2019 Grado Award recipients for their service and commitment to the American Cancer Society.

Your American Cancer Society is committed to "Finishing the Fight" against cancer. We thank our loyal donors for their investment in our mission which has had such an impact on the American Cancer Society's research. Our tradition of excellence will provide the foundation for us to set new records at the 2019 Imagination Ball; the most successful event yet!

Sincerely,

Debra Shanahan
